Come and join us once again for an **Astrology Open Day** at the Abbotsford Convent with Stephanie Johnson from Esoteric Technologies, Brian Clark and Glennys Lawton from the Chiron Centre, Julija Simas from C*I*A, Kerry Galea from Ancient Moon Gardening and the Esoteric Technologies team.

- ☆ Join in our Solar Fire demonstrations highlighting the Australian products that are innovative leaders in astrological software
 - ☆ **10:15 am Welcome and let me tell you a little bit about Version 8**
Brian Clark and **Stephanie Johnson**, the director of Esoteric Technologies, welcome everyone to our 4th Astrology Open Day at the Convent and introduce you to *Solar Fire Gold Version 8*
 - ☆ **10.45 am Solar Fire Gold Back to Basics**
The Esoteric Team will demonstrate features not to be missed on Solar Fire Gold for both the beginner and the more adept
 - ☆ **11.45 am Ancient Moon Gardening for beautiful and productive gardens**
Kerry Galea will cover the moon phases and the zodiac signs and how to put them together to pick the perfect day to do your garden tasks. For everybody from the enthusiastic amateur to the serious crop producer; when you are in harmony with the Moon; you can do less, and accomplish more.
 - ☆ **2:00 pm Solar Fire Composite Charts**
Stephie Johnson demonstrates the amazing techniques incorporated on Solar Fire that help you become even more confused about your current relationships! Stepheie also explains the wonderful features of combined charts and the synastry grid.
 - ☆ **2:45 pm 2012 the Year of Astrology**
Julija Simas, the inspiration behind 2012 the Year of Astrology, demonstrates some of the astrology upcoming in 2012 like the final ingress of Neptune into Pisces, the Uranus-Pluto Square and the Venus occultation
 - ☆ **3:30 pm Location, Location**
Brian Clark shows you how to whip up a relocated chart, get an angle on a certain place and some of the ins and outs of relocational astrology

Esoteric Technologies will have a wide range of their products for sale as well as offering a discount for software purchases on the day. **Astro*Synthesis** will have their student publications and distance learning programs displayed and available for purchase. **C*I*A** will have their astrological DVD's for sale along with their T-shirts and **Solar Heart Books** will have a wide range of second-hand astrology books. Admission is free but a donation is welcomed for the Zodiac Appeal and Wildlife Victoria.
